PRESS RELEASE

Auto Body Hawaii is Participating in a National Recycled Rides Vehicle Donation Program

Kailua Kona, HI, November 20, 2008 — Auto Body Hawaii, in association with The National Auto Body Council's (NABC) Recycled Rides—a simultaneous vehicle donation program is gearing up to donate a vehicle to a working family of need. On Wednesday November 26th Auto Body Hawaii will be giving a vehicle to Child & Family Service who has pre-selected a qualified precipitant.

Auto Body Hawaii, along with shops across the country, recognizes this as a great way of giving back to the local community that supports them. We are excited to be able to provide valuable transportation to a family in need; we can put this car, and future cars, back safely on the road and into the hands of those who can really use them.

This is what we do and where we live, we can't think of a better way to welcome in the holidays and make a positive impact on those who need it most.

Call Tiffany Taylor, 329-2544; tiffany@autobodyhawaii.com, for more information.
